

A Special Year

Stage Two Downham has stepped back in time! It is exactly 20 years since the group performed 'Round and Round the Garden' by Alan Ayckbourn. It was the first play produced, on the Downham Stage. The group have even cast the same leading man for the part of 'Norman' - the philanderer at the centre of the plot. Albeit slightly older now, Bob Cleeve played this part in 1989 and now leads a supporting cast of old and new players.

Formerly Waddington Drama Group, Stage Two moved to Downham when the Waddington venue became unavailable and changed its name to fit the new venue. Since that time, 20 years ago, the group have proudly presented thirty-nine plays in this hall. Thank you for all the support you have given us over the years.

We hope that you enjoy watching this play as much as we have enjoyed rehearsing it.
