

Can you help?

I can't find any other information about this play. I would really like to know when 'Breath of spring' was performed by Waddington Drama Group, there is a gap in my collection of programmes so it could be 1979. Can anyone confirm this?

Pictured during a scene from Waddington Drama Group's production of "Breath of Spring" are (standing, from left) Brigadier Albert Rayne (Roy Oldroyd), Nanette (Judith Hutton), Hattie (Hilda Malcolm), Lily (Janet Eatough). Sitting, Alice (Pat Hargreaves) and Dame Beatrice (Edna Irwin).
